Middlesex County Health Services

FREE COVID-19 Testing

Middlesex County's Department of Public Safety & Health and Office of Health Services offer COVID-19 testing for Middlesex County residents. All COVID-19 testing performed at the Middlesex County Health Services sites are free for Middlesex County residents, but require an appointment.

Testing days and locations vary on a weekly basis. The table shows the locations and upcoming dates of the free testing being offered, as well as the day that registration begins for a testing appointment:

New Brunswick (Walk-Up Clinic) Youth Sports Complex 419 Joyce Kilmer Avenue New Brunswick	REGISTER NOW Register by clicking HERE Or calling 732-745-3100 💻 or 📞	Thursday, October 15
